

BUXTON BEAT

CITYWIDE TREE TRIMMING

Burley's Tree Service will be trimming trees throughout town this fall. Any trees that hang over lower than 15 feet onto the city streets will be trimmed and any trees and bushes in the alleyways will be trimmed/removed for the ease of traffic, mosquito spraying and snow removal.

FALL AND WINTER REMINDERS

- Please keep storm drains free of leaves and debris
- For the ease of snow removal there is no parking on city streets or blocking alleyways during a snow event
- Residents with mail boxes are responsible for snow removal around their mail box to ensure the ease of access for their mail carrier

The City of Buxton is excited to announce a new payment option for paying the quarterly garbage/sewer bills in January 2026.

We are joining with First State Bank and implementing an ACH Payment Program in which you can choose to have automatic payments deducted from you checking or savings.

The ACH form is available on the city's webpage (<https://buxtonnd.com>) or contact Jackie Siewert, City Auditor.
